Keep Your Space Clean & Safe

with NASA-inspired, Hall of Fame Certified Space Technology

FreshAir Focus

- Reduces airborne contaminants and allergens
- Removes odors in stale environments
- Reduces particles such as dirt & dust from the air

Vollara's[™] ActivePure® product line is based on technology originally developed by NASA for use during space travel. Now, you can take a proactive approach for any home or business with the **Air** & **Surface** Pro+. It reduces up to 99% of airborne and surface contaminants such as mold, fungi, germs, viruses and odors within 30 minutes! It is the smart solution wherever it is used. Breathe the freshness of nature's air indoors with Vollara.
