Vollara's™ ActivePure® product line is based on technology originally developed by NASA for use during space travel. Now, you can take a proactive approach for any home or business with the **Air & Surface Pro**. It reduces up to 99% of airborne and surface contaminants such as mold, fungi, germs, viruses and odors within 30 minutes! It is the smart solution wherever it is used. Breathe the freshness of nature's air indoors with Vollara.

## Air & Surface PRO

- Reduces airborne contaminants and allergens
- Removes odors in stale environments
- Reduces particles such as dirt & dust from the air
